- Shooting the target range is free

# DIRECTIONS

20601 Izaak Walton Way, Poolesville, MD 20837

**From Virginia:** Take I-495 North (West side of DC) to River Road. Take River Road North. River Road will end in a “T” intersection, but will retain the same name if one turns left. Turn left at this “T” intersection. Take River Road, and continue past Hunters Quarter Road, which will be on your left. The second road on the right after Hunters Quarter Road will be West Willard Road. Turn right onto West Willard Road. Proceed north on West Willard until you come to Izaak Walton Way (on the left). Turn left onto Izaak Walton Way. Proceed on Izaak Walton Way until you have passed two gates on the right, the third gate on the right is the Archery Range. There is a sign identifying the Archery Range. Turn right into the Archery Range and proceed to have fun.

**From points North of DC:** Take I-95 south to I-495 and head west on I-495. Exit I-495 onto I-270 North. Take I-270 North until you reach state road 28/Darnestown Road. Go North on 28 toward Darnestown. You will go through Darnestown and proceed on 28 until you reach 107 - it will be a left fork off of 28. Bear left onto 107 and proceed into Poolesville. You will come upon a four-way stop (Rt. 109). Proceed through the intersection of 107 and 109, on 107 looking for West Willard Road on the left (this will be mere yards beyond the intersection of 107 and 109). Turn left onto West Willard and proceed to Izaak Walton Way on the right - it will be a few miles so don't get anxious if you don't see it right away. Turn right onto Izaak Walton Way and proceed to the third gate on the right. There is a sign identifying the Archery Range. Turn into the Archery range at the third gate on the right and you are there.

**From points near Frederick:** Take Route 15 south to Route 28 south. Turn left onto Route 28 south and proceed to 109. Take a right at 109 and that will take you into Poolesville. When you get to the four-way-stop intersection (intersection of 107 and 109) take a right. Immediately begin looking for West Willard Road on the left. Take a left onto West Willard and follow the above directions from there.
