(V) Whether the applicant meets the criteria for obtaining a permit specified in section 18-12-203 (1).

(b) The permit application form shall not require the applicant to waive or release a right or privilege, including but not limited to waiver or release of privileged or confidential information contained in medical records.

(2) (a) An applicant shall complete the permit application form and return it, in person, to the sheriff of the county or city and county in which the applicant resides, to the sheriff of the county or city and county in which the applicant maintains a secondary residence or owns or leases real property used by the applicant in a business, or to the sheriff that previously issued a permit to the applicant. The applicant shall sign the completed permit application form in person before the sheriff. The applicant shall provide his or her signature voluntarily upon a sworn oath that the applicant knows the contents of the permit application and that the information contained in the permit application is true and correct. An applicant who knowingly and intentionally makes a false or misleading statement on a permit application or deliberately omits any material information requested on the application commits perjury as described in section 18-8-503. Upon conviction, the applicant shall be punished as provided in section 18-1.3-501. In addition, the applicant shall be denied the right to obtain or possess a permit, and the sheriff shall revoke the applicant's permit if issued prior to conviction.

(b) An applicant shall also submit to the sheriff a permit fee not to exceed one hundred dollars for processing the permit application. The sheriff shall set the amount of the permit fee as provided in subsection (5) of this section. In addition, the applicant shall submit an amount specified by the director of the bureau, pursuant to section 24-72-306, C.R.S., for processing the applicant's fingerprints through the bureau and through the federal bureau of investigation. Neither the permit fee nor the fingerprint processing fee shall be refundable in the event the sheriff denies the applicant's permit application or suspends or revokes the permit subsequent to issuance.

(3) In addition to the items specified in subsection (2) of this section, an applicant, when submitting the completed permit application, shall submit the following items to the sheriff:

(a) Documentary evidence demonstrating competence with a handgun as specified in section 18-12-203 (1) (h); and

(b) A full frontal view color photograph of the applicant's head taken within the thirty days immediately preceding submittal of the permit application; except that the applicant need not submit a photograph if the sheriff photographs the applicant for purposes of issuing a permit. Any photograph submitted shall show the applicant's full head, including hair and facial features, and the depiction of the applicant's head shall measure one and one-eighth inches wide and one and one-fourth inches high.

(4) (a) The sheriff shall witness an applicant's signature on the permit application as provided in subsection (2) of this section and verify that the person making application for a permit is the same person who appears in any photograph submitted and the same person who signed the permit application form. To verify the applicant's identity, the applicant shall present to the sheriff the applicant's valid Colorado driver's license or valid Colorado or military photo identification.

(b) After verifying the applicant's identity, the sheriff shall take two complete sets of the applicant's

fingerprints. The sheriff shall submit both sets of fingerprints to the bureau, and the sheriff shall not retain a set of the applicant's fingerprints.

(c) After receipt of a permit application and the items specified in this section, the sheriff shall verify that the applicant meets the criteria specified in section 18-12-203 (1) and is not a danger as described in section 18-12-203 (2). Renewal:

HB-14-1166 signed by the Governor 3/14/14 allows permit holders to renew the permit with the sheriff of the county or city and county in which the applicant resides or with the sheriff of the county or city and county in which the applicant maintains a secondary residence or owns or leases real property used by the applicant in a business. Previously it had to be renewed with the Sheriff who issued the permit/license.

Note: New law passed amends 18-12-202 stating that training must be face to face with an Instructor. Online type training does not meet Colorado Law.

Non-Resident Permits

18-12-203. Criteria For Obtaining A Permit.

(a) Is a legal resident of the state of Colorado. For purposes of this part 2, a person who is a member of the armed forces and is stationed pursuant to permanent duty station orders at a military installation in this state, and a member of the person's immediate family living in Colorado, shall be deemed to be a legal resident of the state of Colorado.

Note: If you are in the military and are stationed in Colorado you and your immediate family are considered residents of CO and can obtain a CO permit/license to carry.

Note: Also I noted this on the Application form that the Sheriff's of Colorado put out.

On the [Application](#) that all the [Sheriff's in Colorado](#) will accept there is an ** on the block that wants this info: ****Colorado County of Residence.** At the bottom of the fill in part the ** has this out from it: ****If not a Colorado resident, please explain in a separate attachment why you need a permit and identify any property or business you own in Colorado.**

Colorado law states only "Residents" but with this on the application it may be possible if you own a business or property and can give a good reason for a CO permit they may issue you one. Check with the Sheriff of the County you own property or have a business. The most they can say is No.

Places Off-Limits Even With A Permit/License

18-12-214. Authority Granted By Permit - Carrying Restrictions.

(1) (a) A permit to carry a concealed handgun authorizes the permittee to carry a concealed handgun in all areas of the state, except as specifically limited in this section. A permit does not authorize the permittee to use a handgun in a manner that would violate a provision of state law. A local government does not have authority to adopt or enforce an ordinance or resolution that would conflict with any provision of this part 2.

(b) A peace officer may temporarily disarm a permittee, incident to a lawful stop of the permittee. The peace officer shall return the handgun to the permittee prior to discharging the permittee from the scene.

(2) A permit issued pursuant to this part 2 does not authorize a person to carry a concealed handgun into a place where the carrying of firearms is prohibited by federal law. Page 18-senate bill 03-024(3) A permit issued pursuant to this part 2 does not authorize a person to carry a concealed handgun onto the real property, or into any improvements erected thereon, of a public elementary, middle, junior high, or high school; except that:

(a) A permittee may have a handgun on the real property of the public school so long as the handgun remains in his or her vehicle and, if the permittee is not in the vehicle, the handgun is in a compartment within the vehicle and the vehicle is locked.

(b) A permittee who is employed or retained by contract by a school district as a school security officer may carry a concealed handgun onto the real property, or into any improvement erected thereon, of a public elementary, middle, junior high, or high school while the permittee is on duty.

(c) A permittee may carry a concealed handgun on undeveloped real property owned by a school district that is used for hunting or other shooting sports.

(b) Security personnel electronically screen each person who enters the building to determine whether the person is carrying a weapon of any kind; and (c) Security personnel require each person who is carrying a weapon of any kind to leave the weapon in possession of security personnel while the person is in the building.

(5) nothing in this part 2 shall be construed to limit, restrict, or prohibit in any manner the existing rights of a private property owner, private tenant, private employer, or private business entity.

(6) the provisions of this section apply to temporary emergency permits issued pursuant to section 18-12-209.

Basic Questions On Concealed Carry at CU-Boulder by CU-Boulder Administration

Note: There have been reports that those with a valid permit can’t carry on Public Transportation (Buses) in Colorado. Carry is allowed on public transportation if you have a valid permit. Your valid permit is “Legal Authority.”

18-9-118. Firearms, Explosives, or Incendiary Devices In Facilities of Public Transportation

A person commits a class 6 felony if, without legal authority, he has any loaded firearm or explosive or incendiary device, as defined in section [9-7-103](#), C.R.S., in his possession in, or carries, brings, or causes to be carried or brought any of such items into, any facility of public transportation, as defined in section [18-9-115 \(4\)](#). History: Source: L. 77: Entire section added, p. 976, § 7, effective June 29. L. 89: Entire section amended, p. 841, § 89, effective July 1.

Note: Denver International Airport (DIA) has signs posted at the entrance of the Terminal stating:

It is a FELONY OFFENSE for any person without legal authority to bring a loaded firearm or explosive or incendiary device into the airport or aboard a commercial aircraft. Violators may be sentenced to five years imprisonment a fine of \$10,000 or both.

Those with a valid permit/license can carry into the airport but not into the sterile areas of the airport. Your valid permit/license is your legal authority. The only reference to firearms in the DIA Rules/Regulations states a Permit/License holder can’t carry into secure areas of the airport. Secure areas would be past the TSA security checkpoint and anywhere else in the terminal or grounds off limits to passengers.

Note: Handgunlaw.us believes when you come across a business that is posted that you not just walk away. That business needs to know that they lost your business because of their “No Gun” sign. Must Inform Officer Immediately on Contact By Law?

“NO”

18-12-204.

(2) (a) A permittee, in compliance with the terms of a permit, may carry a concealed handgun as allowed by state law. The permittee shall carry the permit, together with valid photo identification, at all times during which the permittee is in actual possession of a concealed handgun and shall produce both documents upon demand by a law enforcement officer. Failure to produce a permit upon demand by a law enforcement officer raises a rebuttable presumption that the person does not have a permit. Failure to carry and produce a permit and valid photo identification upon demand as required in this subsection (2) is a class 1 petty offense. A charge of failure to carry and produce a permit and valid photo identification upon demand pursuant to this subsection (2) shall be dismissed by the court if, at or before the permittee's scheduled court appearance, the permittee exhibits to the court a valid permit and valid photo identification, both of which were issued to the permittee prior to the date on which the permittee was charged with failure to carry and produce a permit and valid photo identification upon demand.

Open Carry (Without A Valid Permit/License)

Open Carry is legal in Colorado with exceptions. Places as listed in the "Places Off Limits" above apply to those who open carry. Those who open Carry also have more restrictions than those with a Concealed Carry Permit/License. Public Transportation is off limits to those who Open Carry. (See 18-9-118) When open carrying, be prepared for Police Officers to question you as open carrying firearm gets their attention. See the "RV/Car Carry Without a Permit" section for carrying in a vehicle. Denver won a court case stating it can control Open Carry in Denver and Open Carry is illegal in Denver. Other cities have banned Open Carry on their city owned property. The Minimum age for Open Carry is 18.

29-11.7-104. Regulation - Carrying - Posting

A local government may enact an ordinance, regulation, or other law that prohibits the open carrying of a firearm in a building or specific area within the local government's jurisdiction. If a local government enacts an ordinance, regulation, or other law that prohibits the open carrying of a firearm in a building or specific area, the local government shall post signs at the public entrances to the building or specific area informing persons that the open carrying of firearms is prohibited in the building or specific area.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the [State's RKBA](#) Organization/s. State Preemption

18-12-105.6. Limitation On Local Ordinances Regarding Firearms In Private Vehicles.

(1) The general assembly hereby finds that:

- (a) A person carrying a weapon in a private automobile or other Private means of conveyance for hunting or for lawful protection of such Person's or another's person or property, as permitted in sections 18-12-105 (2) (b) and 18-12-105.5 (3) (c), may tend to travel within a county, city and county, or municipal jurisdiction or in or through different County, city and county, and municipal jurisdictions, en route to the Person's destination;
- (b) Inconsistent laws exist in local jurisdictions with regard to the Circumstances under which weapons may be carried in automobiles and Other private means of conveyance;
- (c) This inconsistency creates a confusing patchwork of laws that Unfairly subjects a person who lawfully travels with a weapon in or through One jurisdiction to criminal penalties because he or she travels within a jurisdiction or into or through another jurisdiction;
- (d) This inconsistency places citizens in the position of not knowing When they may be violating local laws while traveling within a jurisdiction or in, through, or between different jurisdictions, and Therefore being unable to avoid committing a crime.

(2) (a) Based on the findings specified in subsection (1) of this Section, the general assembly concludes that the carrying of weapons in Private automobiles or other private means of conveyance for hunting or For lawful protection of a person's or another's person or property while Traveling into, or through, or within, a municipal, county, or city and County jurisdiction, regardless of the number of times the person stops in A jurisdiction, is a matter of statewide concern and is not an offense.

(b) Notwithstanding any other provision of law, no municipality, County, or city and county shall have the authority to enact or enforce any Ordinance or resolution that would restrict a person's ability to travel with A weapon in a private automobile or other private means of conveyance FOR HUNTING OR for lawful protection of a person's or another's person or Property while traveling into, or through, or within, a municipal, county, Or city and county jurisdiction, regardless of the number of times the person Stops in a jurisdiction. ANNOTATION

Law reviews: For article, "In the Crosshairs: Colorado's New Gun Laws", see 33 Colo. Law. 11 (January 2004).

This section clarifies the scope of § 18-12-105 (2)(b) and indicates the general assembly's intent that local ordinances on carrying weapons in private vehicles be preempted only insofar as they conflict with the provisions of this section. *Trinen v. City & County of Denver*, 53 P.3d 754 (Colo. App. 2002).

The use of the limiting language "into or through" in subsection (2) reflects the general assembly's intent not to restrict local weapons ordinances insofar as they apply to travel wholly within local jurisdictions. *Trinen*

v. City & County of Denver, 53 P.3d 754 (Colo. App. 2002). (Decided under law as it existed prior to the 2003 amendments to subsection (2)).

29-11.7-101. Legislative Declaration.

(1) The general assembly hereby finds that:

- (a) Section 3 of article II of the state constitution, the article referred to as the state bill of rights, declares that all persons have certain inalienable rights, which include the right to defend their lives and liberties;
- (b) Section 13 of article II of the state constitution protects the fundamental right of a person to keep and bear arms and implements section 3 of article II of the state constitution;
- (c) The general assembly recognizes a duty to protect and defend the fundamental civil rights set forth in paragraphs (a) and (b) of this subsection (1);
- (d) There exists a widespread inconsistency among jurisdictions within the state with regard to firearms regulations;
- (e) This inconsistency among local government laws regulating lawful firearm possession and ownership has extraterritorial impact on state citizens and the general public by subjecting them to criminal and civil penalties in some jurisdictions for conduct wholly lawful in other jurisdictions;
- (f) Inconsistency among local governments of laws regulating the possession and ownership of firearms results in persons being treated differently under the law solely on the basis of where they reside, and a person's residence in a particular county or city or city and county is not a rational classification when it is the basis for denial of equal treatment under the law;
- (g) This inconsistency places citizens in the position of not knowing when they may be violating the local laws and therefore being unable to avoid violating the law and becoming subject to criminal and other penalties.

(2) Based on the findings specified in subsection (1) of this section, the general assembly concludes that:

- (a) The regulation of firearms is a matter of statewide concern;
- (b) It is necessary to provide statewide laws concerning the possession and ownership of a firearm to ensure that law-abiding persons are not unfairly placed in the position of unknowingly committing crimes involving firearms. Source: L. 2003: Entire article added, p. 652, § 2, effective March 18.

A local government may enact an ordinance, regulation, or other law that prohibits the open carrying of a firearm in a building or specific area within the local government's jurisdiction. If a local government enacts

an ordinance, regulation, or other law that prohibits the open carrying of a firearm in a building or specific area, the local government shall post signs at the public entrances to the building or specific area informing persons that the open carrying of firearms is prohibited in the building or specific area. It is unlawful for any person, except a person authorized by law or by the division, to possess or have under his control any firearm, other than a pistol or revolver, in or on any motor vehicle unless the chamber of such firearm is unloaded. Any person in possession or in control of a rifle or shotgun in a motor vehicle shall allow any peace officer, as defined in section [33-1-102 \(32\)](#), who is empowered and acting under the authority granted in section [33-6-101](#) to enforce articles 1 to 6 of this title to inspect the chamber of any rifle or shotgun in the motor vehicle. For the purposes of this section, a "muzzle-loader" shall be considered unloaded if it is not primed, and, for such purpose, "primed" means having a percussion cap on the nipple or flint in the striker and powder in the flash pan. Any person who violates this section is guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of fifty dollars and an assessment of fifteen license suspension points. Minimum Age for Possessing and Transporting of Handguns.

Colorado 18 Y/O 18-12-108.5 & 18-12-108.7

This is the minimum age for possessing and transporting a handgun unloaded and secured in a vehicle without any type of permit/license to carry firearms.

Note: In some states Possession and Transportation CAN be very restrictive in that you can ONLY possess and transport a handgun to and from a Shooting Range, Gun Shop, property you own or other places you can legally possess a handgun. Some states do not have this restriction. This is not the last word on possession and transporting of handguns in this, or any other state. Study your state law further for more information. See “RV/Car Carry” Section Above for more information.

Permit/License Image

Local Authorities issue Permits in Colorado. Here are two examples. I have been told the Image on the right is blank on the reverse and is the Standard Format for CO but that other Counties may issue different ones.

These image has been digitally assembled from 2 or more images. They may not be 100% accurate but give a good representation of the actual Permit/License.
