# Shooting for Service Dogs

**Kyrus Charities invites you to join us for a friendly target shooting and skills competition to support the training and ongoing care of service dogs for active-duty military and veterans.**

*Every day, an estimated 184 veterans are diagnosed with Post-Traumatic Stress (PTS) and 20 commit suicide. Specially trained PTS service dogs can be the difference between life and death for our nation's veterans, but the intensive training they require is expensive, costing upwards of \$20,000 per dog.*

*American Humane, the country's first national humane organization, provides lifesaving PTS service dogs to our veterans in need. All of the proceeds from the shooting event will go directly to American Humane.*

**WHO:** American Humane and Kyrus Charities

**WHEN:** Tuesday, October 25, 2016 from 1:00 p.m. – 6:00 p.m.
